

Demonstration on September 19, 2011

8AM TO 12PM

CONCRETE COATINGS, INC. OVERLAY DEMONSTRATION AT ICS!

Join us for our demonstration on Concrete Coatings, Inc.'s Stamp-Tek™ Stampable Overlay and Micro-Topping Systems. Learn how to apply decorative overlays that will add beauty and durability to any commercial or residential application.

We look forward to seeing you there.! Register with Gary Dumont, Idaho Falls Store Manager at 208.522.4949 or through e-mail at gdumont@ics50.com. Don't miss out on money making opportunities with these outstanding products.

Concrete Coatings, Inc.'s Director of Operations, Brian Anderson will be conducting the demonstration and will be on hand to field questions .
